備註 Note

-、最低畢業學分共128學分。必修 73 學分、選修 55 學分。

The total number of credits completed to be eligible to graduate shall not be less than 128 credits. The required credits are 73 The elective credits are 55.

二、必修:包含基礎必修、院必修、系必修。

Required courses: Basic required, college required and department required courses.

三、選修:包含系專業選修及一般選修。

Elective courses: Professional elective and general elective courses.

四、跨系選修最多承認 12 學分。

The number of inter-department elective credits shall be up to 12 credits.
